WORKING TOGETHER TASK GROUP

4 June 2021

Meeting Summary

The Working Together Task Group met on 4 June, where they received an update on the College listening sessions completed so far. WTTG members who had attended sessions provided their views and feedback from attendees. The key themes and suggestions for practical actions identified during the discussion would be summarised and circulated shortly. It was agreed that the report of recommendations following the listening exercises would be made available for session attendees prior to being made available all staff and students. A draft report would be sent to the WTTG to review once the facilitation sessions had been completed.
