WORKING TOGETHER TASK GROUP

9 August 2021

Meeting Summary

The Working Together Task Group met on 9 August to discuss the implementation of the Working Together Task Group report and the prioritisation of actions following its approval at President's and Provost's Board in July, and other feedback received. It was agreed that an action plan with a focused set of actions and measurement indicators should be prepared for the group to review. This would combine actions emerging from the WTTG recommendations with actions relating to the Values and Behaviours project and the HR strategy.
