## **WORKING TOGETHER TASK GROUP**

12 July 2021

### **Meeting Summary**

The Working Together Task Group met on 12 July, where they considered the full summary of the listening exercises and reviewed the draft report from the facilitator that summarised key recommendations from the community listening exercises for the College to consider. The group discussed some of the key barriers and suggestions for enablers for improving culture and creating a positive environment for the College. The group thanked the facilitator and the OD team for their work in leading the listening exercises. A revised version of the report taking on board the group's feedback would be prepared and provided to Provost's and President's Board for review later in July.
