

## Early Career Fellowships Categories (last updated October 2025)

For UKRI Fellowship Funding [search Funder Finder](#)

### Engineering

Fellowship name	Eligibility	Duration of Fellowship	Timings / Deadline
<a href="#">UKRI - Future Leaders Fellowships</a>	<ul style="list-style-type: none"> <li>Early career researchers and innovators with outstanding potential.</li> <li>Internally managed fellowship – see <a href="#">Imperial Information for Applicants</a></li> </ul>	Up to 7 years	<p><a href="#">Round 11</a> not been announced. Likely similar timeline to <a href="#">Round 10</a> which opened in February and closed in June. Imperial has an internally managed process <a href="#">complete internal online application form</a> by <b>March</b>. Imperial is restricted in number of candidates (capped at 8 in 2025)</p>
<a href="#">Engineering and Physical Sciences Research Council (EPSRC) Fellowships</a>  <a href="#">Mathematical sciences postdoctoral fellowship</a>	<ul style="list-style-type: none"> <li><a href="#">Mathematical sciences postdoctoral fellowship</a></li> <li>Your fellowship must focus on research where the majority of the research novelty lies within our mathematical sciences remit. For more info on the scope of mathematical science at EPSRC please see <a href="#">Mathematical sciences theme</a>.</li> <li>Early Career Fellowship for those who are not already in receipt of significant funding.</li> <li>No eligibility rules about how many years of postdoc experience you need.</li> <li>See full guidance <a href="#">on their website</a>.</li> </ul>	Up to 3yrs full time or if part time can extend to max 6yrs.	<p>Open opportunity with no closing date. Ongoing – previously panels met to discuss reviewed applications in Sept, then quarterly (approx Dec, March &amp; June)</p> <p><b>Please note</b> EPSRC Open, OpenPlus and postdoctoral fellowship opportunities closed to new applications in December 2024. The EPSRC are reviewing fellowship funding in theoretical research. Details of new funding opportunities will be available on the UKRI <a href="#">funding finder</a> during 2025.</p>
<a href="#">Engineering and Physical Sciences Research Council (EPSRC) Fellowships</a>	<ul style="list-style-type: none"> <li><a href="#">Mathematical Sciences Open fellowships</a> are for all career stages beyond postdoctoral level and include researchers who are close to their first academic appointment, leading in an area of technical development, or are a highly experienced researcher.</li> </ul>	Up to 5yrs full time or if part time can extend to max 10yrs.	Open - with no closing date.

<a href="#">Mathematical Sciences Open and Open Plus fellowships</a>	<ul style="list-style-type: none"> <li>• Welcome applications from candidates who want to move back into research after any type of break from active research</li> <li>• Your programme of work will last 5 years and deliver high quality research within mathematical sciences.</li> <li>• See full guidance <a href="#">on their website</a>.</li> <li>• <a href="#">Mathematical Sciences Open plus fellowships</a> follow the same criteria as the mathematical open fellowships with the plus element (20% to 50% of time) spent on creating positive change in the research community. Need to champion a topic aligned to EPSRC improvement aspirations such as: <ul style="list-style-type: none"> <li>○ equality, diversity and inclusion</li> <li>○ responsible research and innovation (RRI)</li> <li>○ public engagement</li> <li>○ policy, regulatory, economic or social aspects of your research</li> </ul> </li> <li>• See full guidance <a href="#">on their website</a>.</li> </ul>		
<a href="#">Engineering and Physical Sciences Research Council (EPSRC) Fellowships</a>  <a href="#">Daphne Jackson Fellowship</a>	<ul style="list-style-type: none"> <li>• <b>Daphne Jackson Fellowship</b> - for those looking to return to a research career after a break of two or more years for family, health or caring reasons.</li> <li>• You can view current opportunities on the <a href="#">Daphne Jackson Trust website</a>. Sponsored fellowships are also advertised on university websites and on <a href="#">jobs.ac.uk</a>.</li> <li>• See full guidance <a href="#">on their website</a>.</li> </ul>	Flexible, with at least 100 hours retraining per year, and part-time – usually completed over two years at 0.5 full-time equivalent	Open no closing date
<a href="#">European Space Agency's (ESA) postdoctoral Research Fellowship programme</a>	<ul style="list-style-type: none"> <li>• Preference given to applications submitted by candidates within 5 years of receiving their PhD.</li> <li>• Be a citizen from one of the <a href="#">ESA Member States</a> and <a href="#">European Cooperating States</a>, or from Latvia and Slovenia as Associated Member States and Canada as a Cooperating State.</li> <li>• ESA job opportunities link, visit the <a href="#">recruiting website</a>.</li> </ul>	2years	To see open Research Fellowships, look for those positions titled <b>Internal Research Fellow</b> among the <a href="#">ESA job opportunities</a> .

<a href="#">L'Oreal UK – Rising stars awards</a>	<ul style="list-style-type: none"> <li>• Must identify as female postdoctoral level.</li> <li>• No more than 10 years' active full-time equivalent postdoctoral experience (discounting career breaks but including teaching experience and/or time spent in industry).</li> <li>• Eligibility based on key STEM disciplines see <a href="#">eligibility information</a></li> </ul>	1 year	Call usually Opens July, Application deadline August. Awards announced December each year.
<a href="#">Royal Academy of Engineering - Research Fellowships</a>	<ul style="list-style-type: none"> <li>• The Academy welcomes applications from early-career researchers worldwide who have been awarded their PhD no more than 4 years before the submission deadline.</li> <li>• Applicants who have applied to this scheme before and were unsuccessful are eligible to reapply. These applications will be considered as new applications.</li> </ul>	5 years	Closed 2026 round likely to follow timetable with launch in March 2026. Imperial is restricted to 4 applicants <a href="#">Internal selection process for 2025</a> : Departments select 2 candidates March-June Central Shortlisting 12 June-27 June Final selection early July RAEng Deadline 17 September 2025 (see <a href="#">Research Office Managed Calls</a> )
<a href="#">Royal Commission for the Exhibition of 1851 Research Fellowships</a>	<ul style="list-style-type: none"> <li>• No more than 3 years postdoc experience by the anticipated started date of Oct 2026.</li> <li>• If completed PhD at Imperial, will need to change research groups.</li> <li>• The Commissioners have a preference for candidates to move institutions – If staying at Imperial will need to complete form to outline reasons for staying.</li> </ul>	Up to 3 years	Open: October 2025 Deadline: 13 January 2026 Interviews April 2026 Final Decisions May 2026.
<a href="#">Brunel Fellowship</a>	<ul style="list-style-type: none"> <li>• No more than 3 years postdoc experience, by the anticipated started date of Oct 2026.</li> <li>• Researchers in the core subjects of civil, mechanical, electrical, or aeronautical engineering seeking to address the primary infrastructure needs of modern society.</li> <li>• See <a href="#">Fellowship Terms and Conditions</a></li> </ul>	Up to 3 years	Open: October 2025 Deadline: 13 January 2026
<a href="#">Royal Commission for the Exhibition of 1851 Built Environment Fellowships</a>	<ul style="list-style-type: none"> <li>• Research Fellowship in the Built Environment Collaborative Leadership in the Built Environment: Building Capability in the Next Generation 2025</li> <li>• Applications are welcomed from post-graduates, researchers, practitioners or professionals on a career break.</li> </ul>	2 years	Closed – 2025 Stage 1 a two-page outline - 9 Sept 2025. Shortlisted applicants full project proposal - 21 October 2025. Final interviews November 2025

	<ul style="list-style-type: none"> <li>Specific themes will be advertised each year.</li> </ul>		
<a href="#">Royal Society University Research Fellowship (URF)</a>	<ul style="list-style-type: none"> <li>3-8 years of postdoc experience.</li> <li>Research must be within the Royal Society's remit of natural sciences, which includes but is not limited to biological research, chemistry, engineering, mathematics, and physics.</li> </ul>	8years subject to a mid-fellowship review	Opens: 15 July 2025 Closes: 10 September 2025 Decision: 30 June 2026
<a href="#">Schlumberger Foundation</a>	<ul style="list-style-type: none"> <li>Faculty for the Future focuses on developing and emerging countries where women are underrepresented in STEM disciplines</li> <li>See further information on the <a href="#">SLB Foundation website</a></li> </ul>	1 year initially	Application Deadline: 7 November 2025 Notification of Results: Early April 2026

## Medicine Clinical

Fellowship name	Eligibility	Duration of Fellowship	Deadline
<a href="#">UKRI - Future Leaders Fellowships</a>	<ul style="list-style-type: none"> <li>Early career researchers and innovators with outstanding potential.</li> <li>Internally managed fellowship – see <a href="#">Imperial Information for Applicants</a></li> </ul>	Up to 7 years	<a href="#">Round 11</a> not been announced. Likely similar timeline to <a href="#">Round 10</a> which opened in February and closed in June. Imperial has an internally managed process <a href="#">complete internal online application form</a> by <b>March</b> . Imperial is restricted in number of candidates (capped at 8 in 2025)
<a href="#">Clinical Future Leaders Fellowships</a> NIHR is partnering with the <a href="#">Medical Research Council</a> (MRC) and <a href="#">Cancer Research UK</a> (CRUK) to grow clinical research capacity and improve career paths.	<ul style="list-style-type: none"> <li>Clinical FLFs for registered health and care professionals as <a href="#">defined by NIHR</a> to establish their own research teams.</li> <li>Must hold a PhD or MD</li> <li>Must have completed relevant pre-registration training</li> <li>Propose a research programme within the <a href="#">NIHR remit</a></li> <li>Have substantial postdoctoral experience</li> <li>Eligible institutions are invited to nominate a <b>maximum of 3</b> eligible applicants to each NIHR Clinical Future Leaders Fellowship funding opportunity</li> </ul>	Up to 7 years	<a href="#">Cohort 1</a> will open in 21 October 2025 deadline 3 March 2026 Internal selection process will be managed through Faculty of Medicine with an internal deadline <b>12noon, Weds 5 November 2025</b> Further information on the Imperial <a href="#">Managed Fellowships webpage</a>
<a href="#">Alzheimer's Research UK Doctoral Clinical Fellowship</a>	<ul style="list-style-type: none"> <li>Doctoral Clinical Fellowships provide funding for clinicians with limited research experience and who do not hold a PhD</li> <li>Registered healthcare professionals who can demonstrate an upward trajectory, with some evidence of outputs from previous research project(s), such as publications and/or conference presentations, see <a href="#">Early Career Researcher Framework</a>.</li> </ul>	Up to 4 years can be extended up to 6 years for part time.	Deadline 19 <sup>th</sup> Nov 2025 Outcome: Spring 2026
<a href="#">Alzheimer's Research UK Senior Research Fellowship</a>	<ul style="list-style-type: none"> <li>Senior Research Fellowships are designed clinical or non-clinical researchers with a demonstrated track record of original and productive research (having had typically at least one previous post-doctoral appointment).</li> <li>Research must align with <a href="#">Alzheimer's Research UK's strategy</a>.</li> <li>For information on the skills and training you will be expected to demonstrate, see <a href="#">Early Career Researcher Framework</a>.</li> </ul>	Up to 4 years can be extended for part time.	Currently closed dates tbc

	<ul style="list-style-type: none"> <li>Frequently asked questions <a href="#">on their website.</a></li> </ul>		
<a href="#">British Heart Foundation (BHF) Early Career Fellowship</a>	<ul style="list-style-type: none"> <li>This new <a href="#">Early Career Research Fellowship</a> replaces the BHF Immediate Postdoctoral Basic Science Research Fellowship and Advanced Training Award schemes.</li> </ul>		
<a href="#">British Heart Foundation (BHF) Clinical Future Leader Fellowship (Clinical FLF)</a>	<ul style="list-style-type: none"> <li>The Clinical Future Leader Fellowship (Clinical FLF) replaces the Intermediate Clinical Research Fellowship</li> <li>Demonstrate clear steps towards establishing research independence.</li> <li>Proposal must have a strong cardiovascular research theme.</li> <li>Candidates must have a successful PhD (or MD/MDRes) plus NTN and at least 2 years completed specialist training, but usually no more than 2 years after CCT.</li> <li>Open to candidates returning to academia after a <a href="#">career break</a> from medicine and science of more than 6 months</li> <li>See further details <a href="#">on BHF website</a></li> </ul>	Award up to 7 years	Opens 30 Oct 2025 Deadline 14 January 2026
<a href="#">MRC Clinician Scientist Fellowship (CSF)</a>	<ul style="list-style-type: none"> <li>Clinically qualified PhD/DPhil/MD or Vet Med (providing their project is of relevance to human health).</li> <li>There are no eligibility rules based on years of post-doctoral experience.</li> </ul>	Up to 5 years	3 times a year with current deadlines: <b>Opens 22 October 2025</b> <b>Closes 14 January 2026</b> Future round open for applications <b>Opens 15 January 2026</b> <b>Closes 8 April 2026</b> Further round opens in June for Sept deadline
<a href="#">MRC Clinical Research Training Fellowship (CRTF)</a>	<ul style="list-style-type: none"> <li>Achieved PhD over 5 yrs ago but have not been research active since due to clinical commitments.</li> <li>The CRTF supports clinicians, including (but not limited to) medics, surgeons, dentists, clinical psychologists, public health specialty trainees, allied health professionals, nurses, midwives and veterinarians, to undertake a PhD or other higher research degree.</li> </ul>	Up to 3 years	3 times a year with current deadlines: <b>Opens 22 October 2025</b> <b>Closes 14 January 2026</b> Future round open for applications <b>Opens 15 January 2026</b> <b>Closes 8 April 2026</b> Further round opens in June for Sept deadline

<a href="#">NIHR Postdoctoral Award</a>	<ul style="list-style-type: none"> <li>You can apply to this award from any postdoctoral career stage, from recent PhD completion through to several years' postdoctoral experience.</li> <li>You must have completed relevant pre-registration training if you are a clinical applicant</li> <li>Must propose research within <a href="#">NIHR remit</a></li> <li>Clinical applicants can dedicate up to 40% of time to professional practice and development, with this time covered by the award.</li> <li>There is an option to apply for a <a href="#">partnership award</a> with charity partners</li> <li>Further information visit <a href="#">NIHR Postdoctoral Award webpage</a></li> </ul>	<p>Between 2 and 5 years 100% Full Time Equivalent (FTE)</p> <p>Flexibility to choose part time 50%-100% FTE</p>	<p>2 Rounds each year Opens: March / April Closes: July <i>And</i></p> <hr/> <p>Opens: October Closes: January</p> <p><a href="#">[note the NIHR Postdoc Award]</a> replaces the Advanced Fellowship (AF), the Integrated Clinical Academic Fellowship (ICA)]</p>
<a href="#">NIHR Development and Skills Enhancement Award</a>	<ul style="list-style-type: none"> <li>Be a current member of the <a href="#">NIHR Academy</a></li> <li>have completed any relevant pre-registration training (clinical academic applications only).</li> <li>hold a relevant PhD or MD, or have submitted their thesis for examination at the time of application.</li> <li>ensure that any previous NIHR awards undertaken finished no longer than 12 months ago.</li> <li>have not submitted a DSE application in the previous round.</li> </ul>	<p>Choice of 12-, 18- or 24-month duration.</p>	<p>3 Closing dates per year: March, July and November.</p> <p><a href="#">DSE Award Cohort 8</a> - <b>deadline 4 November 2025 1pm</b></p>
<a href="#">Cancer Research UK (CRUK) Clinician Scientist</a>	<ul style="list-style-type: none"> <li>Career level - Post doc, Clinician, Health professional.</li> <li>Demonstrate meet skills and experience in the “developing independence” career stage of <a href="#">CRUK Fellowship Competency Framework</a></li> <li>See <a href="#">further guidance from CRUK</a></li> </ul>	<p>5 years</p>	<p><a href="#">See Timelines</a></p> <p>Accepted twice per year, November and May Review Committees May 2026 – Outline applications by 2 Oct 2025</p>
<a href="#">Kidney Research Clinical Training Fellowships</a>	<ul style="list-style-type: none"> <li>For medical graduates to specialise in renal research, expanding the levels of expertise in kidney research and treatment</li> <li>Research must align with KRUUK <a href="#">Research Strategy</a> and 3 strategic priorities: <ul style="list-style-type: none"> <li>Transforming Treatments</li> <li>Multiple Health Conditions</li> <li>Health Inequalities</li> </ul> </li> </ul>	<p>3 years max</p>	<p>Expressions of interest tend to open June with deadline for applications August each year.</p>

## Medicine: non-clinical

Fellowship name	Eligibility	Duration	Deadline
<a href="#">UKRI - Future Leaders Fellowships</a>	<ul style="list-style-type: none"> <li>Early career researchers and innovators with outstanding potential.</li> <li>Internally managed fellowship – see <a href="#">Imperial Information for Applicants</a></li> </ul>	Up to 7 years	<a href="#">Round 11</a> not been announced. Likely similar timeline to <a href="#">Round 10</a> which opened in February and closed in June. Imperial has an internally managed process <a href="#">complete internal online application form</a> by <b>March</b> . Imperial is restricted in number of candidates (capped at 8 in 2025)
<a href="#">Alzheimer's Research UK Research Fellowship</a>	<ul style="list-style-type: none"> <li>PhD-qualified non-clinical researchers.</li> <li>No time-bound eligibility criteria, instead use <a href="#">Early Career Researcher Framework</a> to assess researchers' eligibility</li> <li>See <a href="#">FAQs on the Website</a>.</li> </ul>	Up to 3 years	Next round tbc likely follow similar rounds: Open: Jan 2026 Close: 5 March 2026
<a href="#">Alzheimer's Society Postdoctoral Fellowship</a>	<ul style="list-style-type: none"> <li>Applicants must be postdoctoral researchers not already in open-ended, university-funded posts, or final year PhD students who will have been awarded their PhD at commencement of the grant.</li> </ul>	Up to 4 years	Annual Cycle. 2025 dates expected to be similar to 2024: Opens: Early in year Deadline: March 2024 Deadline 2: July 2024 (for full proposals) Outcome: December 2024
<a href="#">Alzheimer's Society Dementia Research Leader Fellowship</a>	<ul style="list-style-type: none"> <li>For talented researchers who wish to build on a number of successful years of research.</li> <li>Open to people from diverse disciplines and career paths including those returning from a career break or time in other roles and those wishing to transition into dementia research from other fields.</li> </ul>	Up to 5 years	Annual Cycle. 2026 dates expected to be similar to 2025: Opens: Early in January Deadline: March 2026 Deadline 2: July 2026 (for full proposals) Outcome: December 2026
<a href="#">British Heart Foundation (BHF) Early Career Fellowship</a>	<ul style="list-style-type: none"> <li>This new <a href="#">Early Career Research Fellowship</a> replaces the BHF Immediate Postdoctoral Basic Science Research Fellowship and Advanced Training Award schemes.</li> <li>Open to those in the final year of their PhD studies or have no more than 4 years of postdoctoral research experience from the date of their PhD award</li> <li>Proposal must have strong cardiovascular research theme.</li> </ul>	Up to 4 years	Opens 30 October 2025 Deadline: 1 <sup>st</sup> April 2026

	<ul style="list-style-type: none"> <li>Open to Scientists <a href="#">returning from industry</a> and</li> <li>Scientists returning to academia after <a href="#">a career break</a> of more than 6 months</li> <li>Further information <a href="#">available via BHF website</a></li> </ul>		
<a href="#">Arthritis UK Career Development Fellowship 2027</a> (formerly known as Versus Arthritis)	<ul style="list-style-type: none"> <li>A PhD (or equivalent), with the skills and experience to match those of the transition to an independent career stage.</li> <li>Career Development Fellowship aims to attract and retain talented researchers committed to a career in any discipline relevant to arthritis and related musculoskeletal diseases.</li> <li>See <a href="#">full guidance on website</a> and details of all <a href="#">funding opportunities</a></li> </ul>	Up to 5 years	Launching early 2026 Deadline May 2026
<a href="#">Arthritis UK Bridging Fellowship 2026</a> (formerly known as Versus Arthritis)	<ul style="list-style-type: none"> <li>The bridging fellowship will provide up to 2 years funding for current Arthritis UK fellowship holders who are in the final year of their fellowship</li> <li>See details of all <a href="#">funding opportunities</a></li> </ul>	Up to 2 years funding	Opens 22 October 2025 Deadline 14 January 2026
<a href="#">MRC Career Development Award (CDA)</a>	<ul style="list-style-type: none"> <li>There are no eligibility rules based on years of post-doctoral experience.</li> <li>Research needs to focus on any area of <a href="#">MRC's remit</a> to improve human health.</li> <li>Need to show evidence of career progression &amp; plans to develop as a leader in area of research</li> </ul>	5 years	2 Rounds each year, with deadlines in April and September Next round opens: 27 January 2026 with a deadline of 21 April 2026. Following round: Opens June 2026- Deadline September 2026
<a href="#">MRC New Investigator Research Grant (NIRG)</a>	<ul style="list-style-type: none"> <li>Need to demonstrate skills and experience at the time of application match those of the 'transition to independence' career stage, as set out in the <a href="#">applicant skills and experience table</a>.</li> <li>There are no eligibility rules based on years of postdoctoral experience, applicants can hold a lecturer appointment, a junior fellowship, or be in another research staff position.</li> </ul>		Ongoing – <a href="#">MRC Guidance for Applicants</a>
<a href="#">Cancer Research UK (CRUK) Career Development</a>	<ul style="list-style-type: none"> <li>Applications are considered from any area of CRUK funding remit, including population, prevention and early detection/diagnosis research, but with the exception of any interventional clinical study/trial and drug discovery.</li> </ul>	6 years or part time equivalent	<a href="#">See Timelines</a> Accepted twice per year, November and May Review Committees May 2026 – Outline applications by 2 Oct 2025

	<ul style="list-style-type: none"> <li>• Be able to demonstrate that you meet the range of skills and experience as outlined in the 'establishing independence' career stage in CRUK <a href="#">Fellowships Competency Framework</a></li> <li>• See <a href="#">Outline application guidance</a></li> </ul>		
<a href="#">Kidney Research UK Intermediate Fellowships (non-clinical)</a>	<ul style="list-style-type: none"> <li>• 2-3 years of postdoc experience to specialise in renal research aligned with KRUK <a href="#">Research Strategy</a> and 3 strategic priorities: <ul style="list-style-type: none"> <li>○ Transforming Treatments</li> <li>○ Multiple Health Conditions</li> <li>○ Health Inequalities</li> </ul> </li> </ul>	3 years max	Expressions of interest tend to open June with deadline for applications August each year.
<a href="#">Kidney Research UK Senior Fellowships (non-clinical)</a>	<ul style="list-style-type: none"> <li>• Extensive post-doctoral experience and already have demonstrated a sustained ability to conduct independent research</li> <li>• Research must align with KRUK <a href="#">Research Strategy</a> and 3 strategic priorities: <ul style="list-style-type: none"> <li>○ Transforming Treatments</li> <li>○ Multiple Health Conditions</li> <li>○ Health Inequalities</li> </ul> </li> </ul>	5 years max	Expressions of interest tend to open June with deadline for applications August each year.
L'Oreal UK – <a href="#">Rising stars awards</a>	<ul style="list-style-type: none"> <li>• Must identify as female postdoctoral level.</li> <li>• No more than 10 years' active full-time equivalent postdoctoral experience (discounting career breaks but including teaching experience and/or time spent in industry).</li> <li>• Eligibility based on key STEM disciplines see <a href="#">eligibility information</a></li> </ul>	1 year	Call usually Opens July, Application deadline August. Awards announced December each year.
<a href="#">NIHR Postdoctoral Award</a>	<ul style="list-style-type: none"> <li>• You can apply to this award from any postdoctoral career stage, from recent PhD completion through to several years' postdoctoral experience.</li> <li>• Must propose research within <a href="#">NIHR remit</a></li> <li>• There is an option to apply for a <a href="#">partnership award</a> with charity partners</li> <li>• Further information visit <a href="#">NIHR Postdoctoral Award webpage</a></li> </ul>	Between 2 and 5 years 100% Full Time Equivalent (FTE)  Part time: 50%-100% FTE	2 Rounds each year Opens: March / April Closes: July <i>And</i> Opens: October Closes: January <a href="#">[note the NIHR Postdoc Award</a> replaces the NIHR Advanced Fellowship (AF).]

<a href="#">NIHR Development and Skills Enhancement Award</a>	<ul style="list-style-type: none"> <li>• Be a current member of the <a href="#">NIHR Academy</a></li> <li>• hold a relevant PhD or have submitted their thesis for examination at the time of application.</li> <li>• ensure that any previous NIHR awards undertaken finished no longer than 12 months ago.</li> <li>• have not submitted a DSE application in the previous round.</li> </ul>	Choice of 12-, 18- or 24-month duration.	3 Closing dates per year: March, July and November.  <a href="#">DSE Award Cohort 8</a> - <b>deadline 4 November 2025 1pm</b>
<a href="#">Wellcome Early-Career Awards</a>	<ul style="list-style-type: none"> <li>• This scheme provides funding for early-career researchers from any discipline who are ready to develop their research identity. Through innovative projects, they will deliver shifts in understanding related to human life, health and wellbeing.</li> <li>• Generally, no more than three years postdoctoral research experience</li> <li>• Fit within <a href="#">Wellcome's Discovery Research</a></li> </ul>	Usually 5 years	Usually Three times a year - Upcoming deadline: 17 February 2026
<a href="#">Wellcome Career Development Awards</a>	<ul style="list-style-type: none"> <li>• Mid career completed one or two substantial periods of research after your initial training.</li> <li>• made important contributions to your area of research.</li> <li>• You can already be a fellow.</li> <li>• You may have been appointed to your first permanent, open-ended or long-term rolling contract within the last three years. If this applies to you, you can't ask for your own salary with this award.</li> </ul>	Usually 8 years	Usually Three times a year - Upcoming deadline: 20 November 2025
<a href="#">Prostate Cancer UK Career Acceleration Fellowships</a>	<ul style="list-style-type: none"> <li>• Max 5 years postdoc experience</li> <li>• Must spend 6x months at another research institution to establish collaborations as well as learning new skills and techniques that will support career development as a prostate cancer researcher.</li> <li>• Research to align with Prostate Cancer's <a href="#">research strategy</a>.</li> </ul>	3-4 years (with 6 months at a different institution)	2026 dates to be announced, likely to follow similar deadline as 2025 with a May deadline.
<a href="#">Children's Cancer and Leukaemia Group Little Princess Trust New Ideas Grant</a>	<ul style="list-style-type: none"> <li>• The Trust generally funds basic science (with a clear plan for translation/patient benefit), translational and clinical research. For more information, read <a href="#">The Little Princess Trust's Research Strategy</a>.</li> <li>• <a href="#">See Guidance for applicants</a></li> </ul>	Up to 36 months	Deadline 8 October 2025

## Natural Sciences

Fellowship name	Eligibility	Duration	Deadline
<a href="#">UKRI - Future Leaders Fellowships</a>	<ul style="list-style-type: none"> <li>Early career researchers and innovators with outstanding potential.</li> <li>Internally managed fellowship – see <a href="#">Imperial Information for Applicants</a></li> </ul>	Up to 7 years	<a href="#">Round 11</a> not been announced. Likely similar timeline to <a href="#">Round 10</a> which opened in February and closed in June. Imperial has an internally managed process <a href="#">complete internal online application form</a> by <b>March</b> . Imperial is restricted in number of candidates (capped at 8 in 2025)
<a href="#">BBSRC Fellowship</a>	<ul style="list-style-type: none"> <li>There is no limit on the number of years of postdoc experience.</li> <li>Must have completed a successful PhD viva by 30 November of year of Fellowship submission</li> <li>You can apply if undertake biotechnology or biological research in:               <ul style="list-style-type: none"> <li>Plants</li> <li>Microbes</li> <li>Animals and humans</li> <li>Tools and technology underpinning biological research</li> </ul> </li> </ul>	3 years full time or max 6 years part-time.	2026 likely to follow <a href="#">similar timeline to 2025</a> Opens: February annually Closes: - May annually With projects starting the following July.
<a href="#">European Space Agency's (ESA) postdoctoral Research Fellowship programme</a>	<ul style="list-style-type: none"> <li>Preference given to applications submitted by candidates within 5 years of receiving their PhD.</li> <li>Be a citizen from one of the <a href="#">ESA Member States</a> and <a href="#">European Cooperating States</a>, or from Latvia and Slovenia as Associated Member States and Canada as a Cooperating State.</li> <li>ESA job opportunities link, visit the <a href="#">recruiting website</a>.</li> </ul>	2years	To see open Research Fellowships, look for those positions titled <b>Internal Research Fellow</b> among the <a href="#">ESA job opportunities</a> .
<a href="#">Human Frontier Science Program (HFSP)</a>	<a href="#">Long- Term Fellowship</a> Applicants with a PhD on a biological topic who want to embark on a novel and frontier project focussing on the life sciences.	3 years	Opened: 24 May 2025 Closed – 25 <sup>th</sup> September 2025

<p>2 different Fellowships:</p> <p><b>Long-Term Fellowships</b> (LTF) <i>and</i></p> <p><b>Cross-Disciplinary Fellowships</b> (CDF)</p>	<p>Must have at least one lead author, full-length research paper (in an international peer-reviewed journal or published on a pre-print server) (<a href="#">see full guidance</a>)</p> <p><b><a href="#">Cross-Disciplinary Fellowship</a></b></p> <p>For applicants with a doctoral degree from a non-biological discipline (eg, physics, chemistry, mathematics, engineering or computer science) and not worked in life sciences. <a href="#">See full guidance</a></p>		
<p>L'Oreal UK – <a href="#">Rising stars awards</a></p>	<ul style="list-style-type: none"> <li>• Must identify as female postdoctoral level.</li> <li>• No more than 10 years' active full-time equivalent postdoctoral experience (discounting career breaks but including teaching experience and/or time spent in industry).</li> <li>• Eligibility based on key STEM disciplines see <a href="#">eligibility information</a></li> </ul>	1 year	Call usually Opens July, Application deadline August. Awards announced December each year.
<p><a href="#">NERC Independent Research Fellowships</a></p>	<ul style="list-style-type: none"> <li>• Must evidence reasonable scientific and technical skills in line with the ambitions of the Independent Research Fellowship</li> <li>• No time post PhD restrictions</li> </ul>	Up to 5 years	<p>Annual Call – Although <a href="#">NERC Fellowships under review:</a></p> <p>Previous Rounds: Opens: January 2025 Closed April 2025,</p>
<p><a href="#">Ramsay Trust Memorial Fellowship</a></p>	<ul style="list-style-type: none"> <li>• Postdoctoral chemists who have already had some postdoctoral experience of research.</li> <li>• Applicants from under-represented groups are particularly welcome</li> <li>• See <a href="#">further information here</a></li> </ul>	2 years	<p>Opens: August annually Closes: November annually</p>
<p><a href="#">Royal Astronomical Society Research Fellowship and the Norman Lockyer Fellowships</a></p>	<ul style="list-style-type: none"> <li>• Up to 5 years of postdoctoral experience.</li> <li>• <b>RAS Fellowships</b> - outstanding candidates to pursue research in the UK in the disciplines advanced by the RAS i.e. astronomy, solar system science, geophysics and closely related branches of these sciences.</li> <li>• <b>Norman Lockyer Fellowships</b> - enable an outstanding researcher to devote the majority of their time to research on an astronomical topic, including solar system and planetary science.</li> </ul>	Up to 3 years	<p>RAS Fellowships will be sought in the years 2027 and for the Norman Lockyer Fellowship in 2025 and 2028</p> <p>Norman Lockyer Fellowship Deadline 15 Nov 2025</p>

<a href="#">Royal Commission for the Exhibition of 1851 Built Environment Fellowships</a>	<ul style="list-style-type: none"> <li>• Research Fellowship in the Built Environment Collaborative Leadership in the Built Environment: Building Capability in the Next Generation 2025</li> <li>• Applications are welcomed from post-graduates, researchers, practitioners or professionals on a career break.</li> <li>• Specific themes will be advertised each year.</li> </ul>	2years	Closed – 2025 Stage 1 a two-page outline - 9 Sept 2025. Shortlisted applicants full project proposal - 21 October 2025. Final interviews November 2025
<a href="#">Royal Society University Research Fellowship (URF)</a>	<ul style="list-style-type: none"> <li>• 3-8 years of postdoc experience.</li> <li>• Research must be within the Royal Society's remit of natural sciences, which includes but is not limited to biological research, chemistry, engineering, mathematics, and physics.</li> </ul>	8years subject to a mid-fellowship review	Opens: 15 July 2025 Closes: 10 September 2025 Decision: 30 June 2026
<a href="#">Schlumberger Foundation</a>	<ul style="list-style-type: none"> <li>• Faculty for the Future focuses on developing and emerging countries where women are underrepresented in STEM disciplines</li> <li>• See further information on the <a href="#">SLB Foundation website</a></li> </ul>	1 year initially	Application Deadline: 7 November 2025 Notification of Results: Early April 2026
<a href="#">Wellcome Early-Career Awards</a>	<ul style="list-style-type: none"> <li>• You must have a PhD and generally no more than three years postdoctoral research experience.</li> <li>• Open to any discipline as long as research fits within Discovery Research, <a href="#">check remit</a></li> <li>• See <a href="#">webpage for further information and a webinar</a> for early career researchers</li> </ul>	Usually, 5 years	Runs three times per year, upcoming deadline: 17 February 2026
<a href="#">Wellcome Career Development Awards</a>	<ul style="list-style-type: none"> <li>• Mid-Career researchers completed one or two substantial periods of research after your initial training.</li> <li>• made important contributions to your area of research.</li> <li>• You can already be a fellow.</li> <li>• You may have been appointed to your first permanent, open-ended or long-term rolling contract within the last three years. If this applies to you, you can't ask for your own salary with this award.</li> </ul>	Usually, 8 years	Runs three times per year, upcoming deadlines 20 November 2025

## Multi-disciplinary – [See UKRI Funding Finder](#)

Fellowship name	Eligibility	Duration	Deadline
<a href="#">UKRI - Future Leaders Fellowships</a>	<ul style="list-style-type: none"> <li>Early career researchers and innovators with outstanding potential.</li> <li>Internally managed fellowship – see <a href="#">Imperial Information for Applicants</a></li> </ul>	Up to 7 years	<a href="#">Round 11</a> not been announced. Likely similar timeline to <a href="#">Round 10</a> which opened in February and closed in June. Imperial has an internally managed process <a href="#">complete internal online application form</a> <b>by March</b> . Imperial is restricted in number of candidates (capped at 8 in 2025)
