

Old Oak Nursery

A new Early Years Centre for West London
Coming July 2021

Welcome

Old Oak Nursery is a new Early Years Centre for Imperial parents in West London.

We are a partnership between Old Oak Primary School and Imperial College London. Between us, we have over 50 years of experience in providing high quality early years education, including our outstanding Early Years Centre in

South Kensington. We're now excited to introduce this new facility for parents at our Hammersmith and White City campuses.

We will be situated in a newly refurbished space that will initially welcome 20 children - from 6 months to 5 years - into a stimulating and nurturing environment.

Our approach

We recognise every child as an individual and our dedicated, qualified early years educators work to create a child-centered curriculum for all our children.

We offer balanced and nutritious meals and drinks throughout the day, and our

children benefit from access to our own outdoor play area, as well as the open spaces of nearby Wormwood Scrubs.

We provide access to additional support, including a school Special Educational Needs and Disability coordinator.
