

6 March 2008

COLLEGE NOTICE

SAFETY AND RISK MANAGEMENT

With effect from 1 March the Safety and Risk Management functions managed by David Forbes will become part of the larger functional grouping of Occupational Health and Human Resources. Organisational synergies between all these functions will encourage effective deployment of resources.

Chris Gosling, HR Director will be responsible for this enlarged division though David Forbes will continue to report direct to Dr Martin Knight, Chief Operating Officer, in respect of his responsibilities for the nuclear reactor.

Rodney Eastwood
College Secretary
