COLLEGE NOTICE

HEAD OF THE DEPARTMENT OF EARTH SCIENCE AND ENGINEERING

Professor Johannes Cilliers, Chair in Mineral Processing, has accepted appointment as Head of the Department of Earth Science and Engineering with effect from 1 August 2011 for a period of five years. Professor Cilliers will succeed Professor Martin Blunt who has held the position since 2006.

Prior to joining the College in 2005, when he was appointed to the above post sponsored by Rio Tinto and Anglo Platinum, Professor Cilliers had been employed by the University of Manchester where he established the Froth and Foam Research Group. Whilst there, he also undertook an MBA at Manchester Business School.
