# What happens once your application has been successful?

- We will share any feedback, advice and suggestions from the funding panel.
- Our Engagement Coordinator (Admin and Internal Communications) will be in touch requesting your finance code.
- Once you have provided a finance code, we will transfer the funds.
- You will be assigned a contact in the Public and Community Engagement team who will support you throughout your project.
- A timeline will be agreed for your project (with your P&CE team contact), including an expected project completion date.
- Following the conclusion of your project, please complete and submit the final report within one month.
