

## Overseas institutions with confirmed equivalence to the Imperial College London medical programme

To be eligible to apply for one of the Imperial Intercolated BSc Programmes, you must be registered on a recognised medical course that is equivalent to the Imperial medical curriculum.

Equivalence has been confirmed for the following overseas institutions:

- Chinese University of Hong Kong
- Hong Kong University
- Institute of Science Tokyo
- Lee Kong Chian School of Medicine
- University of Barcelona
- University of Cape Town

If your home university is not listed, contact us ([feo.bsc@imperial.ac.uk](mailto:feo.bsc@imperial.ac.uk)) and we will be happy to run an equivalence check.
