

5 THINGS!

13th March 2023

Welcome to Maria Weinert who has joined the Grossman lab and Maria Sabina who has joined the Barnes lab, and to all the new project students!

Upcoming grants

Smaller funding opportunities for ECRs
The UK DRI Portal lists a number of smaller ECR funding opportunities including travel grants, meeting bursaries, research awards, support for PhD living expenses..
Read more on the Portal →
Various deadlines

Alzheimer's Research UK - Early Career Researcher Bridge Fund
The scheme may be used to support gaps in funding (salary, staff members, animals, consumables, travel..). Read more on the ARUK website.
Deadline 26 April 2023

NSAS Advanced Course on Neuroinflammation and Neurodegeneration
20-23 September | Venice
UK DRI HQ are funding 6 ECRs to attend this advanced course in the rapidly evolving field of inflammation in neurodegeneration. Read more and apply on the UK DRI Portal.

Genomics of Brain Disorders
17-19 May | Wellcome Genome Campus

Tip of the week!

Jazz on the Mezz

Join colleagues and friends for this special occasion and end your working day with world-class jazz.
Next date: 5.30 – 7.30pm Thurs 23rd March,
Burlington Danes Mezzanine
Guest: Edoardo Bignozzi Trio
The Italian guitarist-led trio, with Paolo Muraro (saxophones) and Eric Ford (drums), prominently features Edoardo's evocative compositions, fusing jazz and new-age sonorities.
