## Upcoming seminars/events

**Alzheimer's Association AAIC Neuroscience Next Event**

17-20 April | Online

See more info and register on the Dementia Researcher website

**Neurogenomics Seminar**

“Identification of cell type-specific cis regulatory elements in Alzheimer's disease”

3-4pm Tues 18<sup>th</sup> April | Zoom

**PhD WIP Presentation**

Reuben Yaa – “Characterization of putative target genes of Alzheimer's disease risk loci in microglia”

9.30-10am Thurs 20<sup>th</sup> April | Teams

**NIHR Webinar: “Engaging policy makers: can your research influence policy?”**

1-2pm Thurs 20<sup>th</sup> April | Virtual

Learn more about how you could share research knowledge with policy makers.

Sign up on the Dementia Researcher website

## Reminders

All members of staff and postgraduate students are encouraged to set up their PWP (Professional Web Page). The personal page is a great way to publicise yourself at the College (PWPs are highly ranked in search engines!) and promote your research.

Find more information on how to activate your PWP on the webpage:

## Tip of the week!

**Volunteer for the Great Exhibition Road Festival 17-18 June 2023!**

The Great Exhibition Road Festival is returning: an annual weekend-long celebration of science and the arts organised by Imperial's public engagement team alongside the Natural History Museum, V&A, Science Museum and Royal Albert Hall. The free event features hands-on science workshops, tours, talks, performances and more.

Read more and sign up to help out on the Imperial website -
