Reminders

Technical Staff Contributions to Research: Have your say!

As part of Imperial's 'Technician Commitment', the College would like to understand how it can give greater visibility to the vital contributions that technical staff make to our research.

A short survey has been released to help ascertain how often Technicians are named as authors or acknowledged in publications and to understand the impact has been.

Technical staff can find the link in the centre-imperial Slack channel.

Tip of the week!

'The Pantry' opens in the Wolfson Café!

Imperial is utilizing its bulk buying power to offer everyday essentials (rice, cereals, vegetables..) at discounted rates.

Open 11am-2pm Monday to Friday, the pop-up shop is located in Wolfson Café, Hammersmith Campus, open to all Imperial staff and students.
