

5 THINGS!

27th March 2023

Welcome to all new project students!

Upcoming grants

ECR: Poster Prize

The British Heart Foundation Centre of Research Excellence and the UK DRI Centre at Imperial are hosting a joint symposium on the 5th May on L12 Uren Hub.

ECRs are invited to submit posters/abstracts to be presented on the day. The posters will be judged and the best posters (+2 runners up) will receive a prize.

Please email submissions to j.rajamanie@imperial.ac.uk by 14th April.

FENS Travel Grants

Attend the 46th Annual Meeting of the Japan Neuroscience Society | Deadline 4 April

Registration link in FoM newsletter

Reminders

College closure

You will require Out Of Hours Consent from the Head of Department in order to access the building during the College Closure period as well as have your lone working up to date.

Please send your completed Out Of Hours Consent form to pa-pmm@imperial.ac.uk for HoD approval cc'ing Megan. The form can be found on the building Slack channel.

Tip of the week!

Strategy Survey - help shape the College's future!
Imperial's new strategy will set the College's vision and ambition for the next two decades. It will guide major decisions, position Imperial to grasp new opportunities, and it will inspire others to join, partner with, and invest in the College.

Have your say! Complete the Strategy Consultation Survey -
