Reminders

ECRs – posters for Connectome 2022 can be printed at Hammersmith campus for £15. Please upload your work to the Onedrive folder by 9am Friday 28th October
Onedrive > Shared with you > “Connectome – posters for printing”

Tip of the week!

Sci-Fi movie nights at The Invention Rooms: A new series of free events organized by the Imperial White City Community will be screening a selection of the best sci-fi movies alongside talks from real-life researchers to explore the link between real research and science fiction. Next date will be circulated soon – stay tuned!
